## DEAD IN CREEK HEADD OWNWARD

Body of Woman Found in Stream at Gloversville, N. Y .- Case Puzzles Police.

#### BELIEVE SHE WAS MURDERED

Clothing Indicates Woman of Culture-Face and Body Bear Number of Scratches and Bruises.

Gloversville, N. V., Oct. 18 - The pa of Gloversville are confronted with what appears to be a murder The body of a woman was discovered early this morning standing end of the city. An autopsy develor ed the fact that the woman died from strangulation and the natural conrlusion is that the weman was mur fiered and her body thrown into the There were a number scratches and bruises on the woman face and body. She was apparently A5 to 60 years old weighed tab to 100 pounds, dressed in dark blue coat black skirt, with black hat and last She had large grey even and he hair was grey. Her clothing and everything about the woman leads to culture and refinement. The body was removed to Keiner's morgue by ord-Perhaps a thou-Coroner Falmer. Johnstown have viewed the remains hunting" stammered McLaughlin. and none can identify her.

Thus far no one has been strengthens the theory that the woman was murdered near Glovers ille one of the cities or villages along the The body was found early this morning by a night watchman returning to his home but at a late hour to night the police did not have a single

#### COFFEE STILL SOARING

ment Is Reached in Spot Delivery Commodity.

New York, Oct. 17 .- The price of coffee went up again to-day. A new high record for the recent upward movement was conclud in the modity for spot delivery while futures which had reacted rather sharply yes terday, recovered with December sell ing back to the fifteen cent level, or Miss Nelis Lapan of Middlehury, one Action power that and Fred LaPan about 40 points above the closing quo- of the candidates in the Free Press Vot- fourth. The largest mad three ing back to the fifteen cent level, or tation of the previous day.

Quotations for spot coffee were advanced to 15 7-8 to 16 cents for Rio No. 7, while Santos 4's were quoted at 17, the highest figures reached here 526. Her total vole is new 138,345. 15 years. The advances are atpresent and the coming crons.
